

Since 1976, international brand ambassador Michael Doulton has travelled the globe promoting the much loved and admired Royal Doulton brand. In July, Michael will be back visiting Australia to host the upcoming 2015 Michael Doulton Tour, from the 20th of July – 9th of August.

In 2015 Royal Doulton celebrates it's 200th anniversary and Michael Doulton's tour will focus on the very special collection of limited edition figurines created to commemorate this milestone in Royal Doulton's history.

We hope you are able to come along to a Michael Doulton special event. Please call your preferred event store to RSVP.
