

Tea party must-haves

Royal Albert favourite Old Country Roses is as popular as ever with new tea party additions and giftware

A jewel in the Royal Albert crown, the Old Country Roses signature pattern has been a favourite for over 50 years. Whether you're throwing a fabulous tea party for your best friend, a birthday celebration or baby shower, the Old Country Roses burgundy, pink and yellow rose arrangement continues to blossom with gorgeous new additions.

Frame your glorious Victoria sponge with classic chic roses and hand applied gold border footed cake stands. Ideal for adding texture and layers to your table, the fine bone china collection includes a heart shaped tray, cake plate and matching server. Set the scene and gather the ones you love for a perfectly presented celebratory spread.

The deep red, delicate pink and rich yellow bouquets also feature on the beautiful jug and mini plates which can double as coasters – fill the jug with water and add sliced lemons on hot summer days, or use as a vase. If you love sipping on an invigorating mint tea or a reviving Earl Grey, make sure your tea bags are stored in the matching tea caddy.

Adding a touch of atmosphere to your girly get together, the tea light votive also looks perfect on a coffee table; we love to group a few of them together for relaxing days at home – the ultimate finishing touch for a bit of self-indulgence and at-home pampering. The collection also includes a Heart Box, a beautiful feminine gift for the girl who loves florals.
